QJS 3.0 – Update on the New School

Work on the new building continues and Jen-Col has done a remarkable job keeping the project moving forward. In spite of dealing with seasons of wild fires, floods, a global pandemic, international war and rail strikes, they are working hard so we can move out of QJS 2.0 (the old Maple Drive school) at the end of June, and start school for students in the new site, QJS 3.0, in September.

We are currently exploring the end of year and how it may be impacted by the move. We will notify families as soon as possible if there are any changes to the expected plan. At this time the last day for QJS, and CSS students is June 22, 2022.

We will do our student orientations for new grade 8 students in the fall, and we have a plan for that. Stay tuned for more information in June and August.

PE UPDATE:

If your child cannot participate for a medical reason, please send a note with the information to the teacher.

With the season changing we try to have PE classes outside most days.

Starting Monday, May 2, the changerrooms will be open for students. Students should dress for the weather (cooler mornings – have a hoodie, hotter afternoons, shorts and a T-Shirt would be good, hats, sunscreen, etc).

A reuseable water bottle is perfect for this time of year. Names on lables are a smart addition if your child is going to keep track of their bottle. Once lost, it can be returned if is has a name ;-)

Got Questions or Concerns? How to get help?

Book Appointments – necessary as we have many meetings and activities pre-arranged every day and would like to set time aside to focus on you.

Here at QJS we work together with families and students to create solutions for concerns both academic and social/emotional.

Step 1 - Contact the teacher(s) with your questions and concerns

Step 2 - Meet with teachers and Principals to create support plans
