

This Week At QJS November 13, 2020

Where we Live, Laugh and Learn the way of our Nations with
Responsibility, Respect, Cooperation, Kindness

Put November 23rd 6:00 p.m. on your Calendar

Please consider joining us virtually. We need your support and input, at this time we have money in the bank and no way to spend it without a council. Please join us.

Email or call the school (250-747-2103) and we will send you a link to our November meeting. This is your chance to have a voice (safety, activities, new school, other thoughts or concerns). Parents play a critical role in our school. We hope to work with you to create an even better school experience.

PAC can help by creating opportunities for all students.

Remembrance Ceremonies

Victory in Europe (VE) Day 75th Anniversary

Thanks to all QJS Staff and Students who participated in our QJS Remembrance Day Ceremonies on Tuesday, November 10th. We were immensely proud to see how thoughtful and respectful students were during the ceremonies. A special thanks to Mr. Trueman and Ms. Withey who put a great deal of time into organizing the event.

We would love your input! Take our 6 question survey and help us improve.

CONFUSED ABOUT CLOSED CAMPUS?

Sign in and Sign out Procedures

If you wish to pick up your child from school please call the office (250-747-2103) to let us know or send your child with a note to bring to the office. That way we can record it in our emergency binder and in MY Ed so you don't get those messages stating that your child was away from class. We will also give your child a little **green permission slip** to show any staff they have checked out.

If your child is arriving at school late please have them check in at the office; again an emergency and MY Ed system check.

Going to be Absent or Away?

You can let us know by calling 250-747-2103, by emailing qjs@sd28.bc.ca or you are able to enter an absence on the form located on our website <http://www.qjs.sd28.bc.ca/>

TIPS FOR TALKING TO YOUR TEEN ABOUT DRUGS:

THESE CAN BE DIFFICULT CONVERSATIONS, BUT NOW IS THE TIME TO HAVE THEM. THE MORE OUR STUDENTS KNOW ABOUT HOW TO PROTECT THEMSELVES THE BETTER PREPARED THEY ARE IN THE FACE OF TEMPTATION OR PRESSURE

CLBC WELCOME WORKSHOPS

DURING COVID-19

During COVID-19, Community Living BC (CLBC) Welcome Workshop Teams are providing four online welcome sessions using [Microsoft Teams](#) to introduce people with Diverse Abilities and their families to CLBC to show how community and different services and supports fit together in the big picture of adulthood.

Welcome workshop sessions include:

- | | |
|--------------------------|-----------------------------|
| 1. Getting Started | November 03 6:00 to 7:30 pm |
| 2. Community Connections | November 10 6:00 to 7:30pm |
| 3. Planning Options | November 17 6:00 to 7:30pm |
| 4. The Real Deal | November 24 6:00 to 7:30pm |

These online workshops, using free software you can download, are led by a CLBC staff person, an individual served by CLBC and a family member, and give you detailed information about ways to build a good adult life.

Please RSVP so you can join us for these online sessions where you will learn about resources in your community, meet other families and individuals virtually and understand what steps are needed if you are interested in receiving services funded by CLBC.

Once you RSVP, you will be sent a link to videos and resources to help you prepare to attend the workshop. We will also send you the links you will use to attend each workshop on the date and time they are scheduled.

WELCOME WORKSHOPS

1 2 3 4

1. GETTING STARTED

An introduction to Community Living BC (CLBC), what steps are needed and how all the pieces across community and government fit together. We'll also cover some of the differences between child/youth and adult services and supports and present information, resources, and choices about what's next.

2. COMMUNITY CONNECTIONS

This is where we start to collect and share information about our local community with each other. Just like we capture the strengths of ourselves or our family members, we want to capture the strengths and other great things about our community. Bring what you know and let's learn from each other!

3. PLANNING CHOICE

As an individual and/or family, you have choices about how to plan for the future, and who to plan with. This workshop is about the many different ways you can plan and the planning help that is there for you. This workshop also explains the information CLBC will ask about you if you decide to request services.

4. THE "REAL DEAL"

If you decide to apply for CLBC-funded services, this workshop is for you. It explains how CLBC works and how CLBC makes decisions about who gets services and when. The workshop will also explain the different kinds of services CLBC funds.
