back to school Monday, April 4th.**

COVID - 19 MASK UPDATE

March 28, 2022

International Travel Requirements

Following Return to Canada Staff, students, and families are responsible for understanding and adhering to all COVID-19 international travel requirements outlined by the Government of Canada, including those required following return to Canada. **Requirements currently include that adults and children (aged 5 and older) who travelled internationally must wear a well-constructed and well-fitting mask in indoor and outdoor public spaces, including K–12 schools, for the first 14 days after entry. This means wearing a mask at schools is not**

a personal choice for those who have travelled internationally for 14 days after entry. Adults and children must also monitor for symptoms for 14 days after entry and follow federal requirements for self-isolation and quarantine if symptoms develop and/or they test positive for COVID-19.

Mask wearing for others will be voluntary. At school, this means that those who wish to may continue to wear masks. It will be important to understand that we will need to be respectful and sensitive to those making these choices, as they are likely trying to provide added protection for someone they love. Masks will continue to be available at school.

Key Ways to Protect Yourself:

- Stay home if you feel unwell**
- Wash/sanitize hands frequently**
- Maintain physical distance**
- Avoid touching face, or sharing food/drinks**
